Hello Team South Africa!!!!

Welcome back summer... it's good to see the sun and feel the warmth as we head into the "silly season".

We have some exciting new bags arriving now and next month. A bling of colour has hit the range as well as a new Thule Attaché.

The container with the TCRD-2 (87 litres) and the TCBP-217 is arriving next week, if you require any, please email or call and place your orders.

We have received news that the Thule Catch-All (TTCA-1) has been discontinued.

Our global website has been updated now with all your contact details and maps on how to get to your store. Please go and take a look www.thule.com - any feedback is welcome.

Regards,

The Thule Team

Advertising and Marketing

We have some exciting adverting going out over the next few months in publications such as Bicycling, Horizons, Go, Weg and Getaway.

Here are some examples - we hope you like them and that it generates sales for you.....

We are also making pull up handle branding to add a bit of colour and show off the innovations of our products. They will be sent to everyone in the new month. Here is a sample:

It's a big world, get out in it
