Features

- Can be mounted to virtually any flat surface (hardware not included)
- 9mm quick-release fork mount skewer holds fork in place for stable and secure bicycle transport
- Carries 1 bike
- Heavy-duty metal construction – simple and strong
- **RRP R749 inc vat**

594XT Sidearm

Get maximum frame protection with this upright roof-mounted bike carrier as it makes contact with wheel only.

Features

- SecureHook™ holds the bike by grabbing the front wheel – no frame contact is made
- Fits Thule rack systems, round bars and most factory mounted racks.
- Fits most 20" to 29" wheel diameter bicycles with tires up to 2.6" wide
- Ratcheting wheel strap quickly secures back wheel to tray
- 1 One-Key™ lock cylinder (sold separately) locks the bike to carrier and carrier to rack
- Versatile design accommodates bikes with disc brakes, thru-axes and other non-traditional frame designs
- Corrosion resistant double-wall aluminum tray provides maximum strength and rigidity
- **RRP R2499 inc vat**

964 Revolver

This premium hitch rack provides ultimate convenience, allowing you to swing your fully loaded 4 bike hitch rack away from your vehicle for full rear access.

Features

- Swings loaded hitch away from vehicle for full rear vehicle access
- T3™ Cradles hold bikes in place for maximum frame protection and stability
- Patented No-Sway Cage™ prevents bike-to-bike contact
- Integrated locking cable that stores conveniently in hitch rack and Snug-Tite™ Receiver Lock (#STL2) are included
- Carries up to 4 bikes – 2" receivers only
- Arms fold down when not in use
- High-strength steel construction
- **RRP R4999 inc vat**

990 Doubletrack

Lightweight platform hitch with adjustable mast hooks loads and unloads in seconds while transporting bikes safely and securely.

Features

- Foldable center mast's ratchet hooks move independently to grab, hold and stabilize each bike quickly and easily
- Reinforced wheel trays slide independently along platforms to eliminate bike-to-bike contact
- Hitch adapter included to accommodate 1¼" or 2" receivers with one product
- Ratcheting wheel strap quickly secures wheels to trays
- Hitch Switch™ lever folds and stores platform when not in use
- Accommodates wheel bases up to 48"
- Carries up to 2 bikes
- Fits the widest range of bike sizes and shapes – even cruisers with fenders – up to 3" wide tires
- **RRP R2999 inc vat**

916 T2

This premier platform hitch rack is the fastest to load and remove bikes with minimal lifting for ultimate convenience.
