

# Crossover™

Thule, the world leader in developing sports and utility transportation solutions, introduces Thule Crossover, a collection of bags designed specifically to meet the needs of outdoor enthusiasts and adventure seekers everywhere.

Thule Crossover isn't built like any other line of bags out there. In keeping with Thule's tradition of innovation and quality, each bag was designed to meet the specific needs of those who take their gear from point A to points B through Z, and want to make sure it gets there all in one piece and ready for action.

It's a big world, get out in it.

Thule Crossover™

Travel gear

Tough, oversized wheels with integrated side stays guarantee a smooth, steady and straight pull for years.

Durable yet lightweight exoskeletons and telescoping handles with Thule V-Tubing™ that stabilize the roll and negates any side-to-side sway.

## Crossover™ Technical innovations

Sturdy aluminum hardware and water-resistant fabric create a lightweight yet durable pack.

Heat-molded, crush-proof SafeZone™ compartments safeguard eyewear, personal electronics and other fragile gear.

### 19 Liter Sling Pack

- Sleek, low-profile design with padded, top-load pouch that holds 15" laptops
- Oversized, padded air mesh strap that allows easy, in-use access to gear
- Sturdy aluminum hardware and water-resistant fabrics create a lightweight yet durable pack
- Multiple grab-and-go handles
- Strap management

**Capacity** 19 Liters **Weight** 0.8 kg **Dims** 50.0 x 36.5 x 20.0 cm

**MODEL: TCSP-1**

### 30 Liter Backpack

- Full-zippered access to main compartment means easy retrieval of gear/clothing
- Crush-proof SafeZone™ compartment
- Compression straps customize the bag to the size of your load
- Multiple quick-access pockets for nutrition, books and portable electronics
- Sturdy aluminum hardware and water-resistant fabrics
- Breathable air mesh backpack straps
- Side pocket keeps hydration close at hand
- Strap management

**Capacity** 30 Liter **Weight** 1.0 kg **Dims** 50 x 33.5 x 24.5 cm

**MODEL: TCBP-1**

### 40 Liter Duffel Pack

- Large, gusseted side pockets separate clean-from-dirty, wet-from-dry
- Zippered rear panel access for quick retrieval of gear/clothing
- Raised rails give your bag and gear that extra protection needed to outlast your many journeys
- Crush-proof SafeZone™ compartment
- Compression straps
- Air mesh backpack straps
- Multiple stash pockets and grab-and-go handles
- Strap management

**Capacity** 40 Liter **Weight** 1.1 kg **Dims** 34 x 58.5 x 24 cm

**MODEL: TCDP-1**

### 70 Liter Duffel Bag

- Full-zippered access to main compartment for easy packing and retrieval of gear/clothing
- Large, gusseted side compartments
- Crush-proof SafeZone™ compartment
- Protective, raised rails on bottom of bag
- Compression straps
- Sturdy aluminum hardware and water-resistant fabrics

**Capacity** 70 Liter **Weight** 1.7 kg **Dims** 60 x 40 x 35 cm

**MODEL: TCDB-1**

### 38 Liter Rolling Carry-On

- Hide-away air mesh backpack straps allow for quick and easy shouldering. Unlike other hybrid luggage, the wheels face away from body to allow a comfortable and clean carrying experience
- Durable yet lightweight exoskeleton with a molded polypropylene back panel that absorbs the impact of rugged travel
- Telescoping handles with Thule V-Tubing™
- Tough, oversized wheels with integrated side stays
- Crush-proof SafeZone™ compartment
- Protective raised rails
- Sturdy aluminum hardware and water-resistant fabrics

**Capacity** 38 Liter **Weight** 3.4 kg **Dims** 55 x 39 x 24 cm

**MODEL: TCRU-1**

### 60 Liter Rolling Upright w/Race Pack

- Convenient detachable Race Pack with enough capacity to carry daily essentials
- Telescoping handles with Thule V-Tubing™
- Durable exoskeleton with a molded polypropylene back panel
- Tough, oversized wheels with integrated side stays
- Lockable, crush-proof SafeZone™ compartment
- Divided main compartment
- Sturdy aluminum hardware and water-resistant fabrics

**Capacity** 60 Liter **Weight** 4.2 kg **Dims** 68 x 41 x 40 cm

**MODEL: TCRU-2**

### 56 Liter Rolling Duffel

- Divided main compartment keeps clean-from-dirty, wet-from-dry
- Compression straps
- Telescoping handles with Thule V-Tubing™
- Durable exoskeleton with a molded polypropylene back panel
- Tough, oversized wheels with integrated side stays
- Lockable, crush-proof SafeZone™ compartment
- Sturdy aluminum hardware and water-resistant fabrics

**Capacity** 56 Liter **Weight** 3.5 kg **Dims** 60 x 38 x 32.5 cm

**MODEL: TCRD-1**

### 87 Liter Rolling Duffel

- Spacious main compartment with zippered divider keeps clean-from-dirty, wet-from-dry
- Compression straps
- Telescoping handles with Thule V-Tubing™
- Durable exoskeleton with a molded polypropylene back panel
- Tough, oversized wheels with integrated side stays
- Lockable, crush-proof SafeZone™ compartment
- Sturdy aluminum hardware and water-resistant fabrics

**Capacity** 87 Liter **Weight** 4.3 kg **Dims** 74 x 41 x 40 cm

**MODEL: TCRD-2**
